The PSC appointments are personal to the individual attorney appointed. While the Court has considered PSC members' resources and expects that they will draw upon their firms and co-counsel to assist them with their duties, each member is personally responsible for his or her duties. The Court may add or replace members upon request from the PSC, or on its own motion, if and as circumstances warrant.

It is intended and expected by this Order that—as to all matters common to the coordinated cases, and to the fullest extent consistent with the independent fiduciary obligations owed by any and all plaintiffs' counsel to their clients and any putative class—pretrial proceedings shall be conducted by and through the PSC.

The PSC is responsible for creating its own structure, including establishing subcommittees, subject to the Court's approval. The Court recognizes that changes to the PSC's organization may be necessary as the litigation progresses and new details emerge.

All time keepers carrying out work for the plaintiffs' common benefit, including PSC members, who may look to any common fund or agreement for reimbursement or compensation shall maintain detailed and contemporaneous time records. The Court will issue a subsequent Order regarding the guidelines and rules for work done and expenses incurred for the common benefit of all plaintiffs in this MDL.

III. CASE MANGEMENT CONFERENCE

As discussed at the July 29, 2021 status conference, Lead Counsel and the PSC shall meet and confer with McKinsey as to:

- The process and schedule for briefing the effect of the settlement agreements for plaintiffs that McKinsey contends are bound by the settlements.
- The process and schedule going forward for plaintiffs that McKinsey does not contend are bound by the settlements.
- The status of the discovery that McKinsey has produced in In re National Prescription Opiate Litigation, MDL No. 2804 (N.D. Ohio) and has or will produce to the Attorneys General in connection with the settlements, including the timeline for producing the discovery in this action.

The parties shall file a joint written submission on August 31, 2021 advising the Court of their determinations on these subjects. The Court will hold a case management conference on September 2, 2021 via Zoom Webinar regarding the submission and any other matters that the Court deems appropriate.

IT IS SO ORDERED.
